Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the installation and expansion of sanitary sewer systems in the Village of Grafton in Fiscal Year 2024. The entity to receive funding for this project is the **Village of Grafton, located at 960 Main Street, Grafton, OH 44044.**

The funding would be used to install a new forced sanitary sewer main from Avon Belden Road traveling westerly to the Grafton Sanitary Elm Street transmission line to the Grafton Wastewater Treatment Plant. The project is an appropriate use of taxpayer funds because it will provide the necessary water utilities to prepare the industrial development of over 800 acres of land so the viability of other development projects will be increased.

The project has a Federal nexus because it is for the purposes authorized in Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

I hereby certify that this request will be made publicly available on my Official Website as required by the House Appropriations Committee's policy that only posted requests will be considered.

Sincerely,

Robert E. Latta
Member of Congress
